UMBRELLAS & BASES

CREATE A SHADED AREA WITH STYLE

WIND RESISTANT UMBRELLAS

Specially designed for windy conditions. A wind vent in the top lets air out and 'fishing pole' type fiberglass ribs will flex with the wind, but do not break! They come with powder coated aluminum poles. Tops are easily changed - buy extra tops to quickly change your color scheme! Ask rep for pricing.

Specify pole color when ordering. Bronze or White

U BRACE UMBRELLA ANCHOR

This unit uses the weight of the table to help anchor the umbrella and prevent it from coming out. Simple to use and requires no maintenance. The U brace attaches to the umbrella pole underneath the table top. This unit is stainless steel and attaches by removing two allen screws and then tightening the two halves of the collar around the umbrella pole. Ships UPS.
